

# AVIATION HERITAGE ATTRACTIONS

- A heritage airport comprising the re-use of the western part of the runway (1,199m) for heritage flights (vintage and classic aircraft), set alongside new museums and associated facilities including a café and hangars
- Former airport buildings retained and converted to community uses
- Opportunity for some custom homes alongside the runway (including private aircraft hangars)
- Remainder of the runway repurposed as a recreation and public events facility

“

The sacrifice and fortitude of the men and women who operated from Manston, and the local population who supported them, will be remembered.

”

– Air Marshal C.R.Spink  
CB CBE RAF(Rtd)
