“ We are pleased to confirm that we will be partnering Stone Hill Park to create a footballing centre of excellence in East Kent with 5,7 and 11-a-side pitches, clubroom and educational facilities designed for all ages and abilities. ”

– Jason Maguire MD
Match Day Centres.

“ Swimming remains one of the most popular sports in the UK. Unfortunately, Kent is currently one of only a very few counties to not have a 50m pool for its residents to utilise, despite having some of the country's top performing clubs and swimmers. With an Olympic-sized swimming pool at Manston, it would be a huge boost to the chances of our county's young swimmers and future sportspeople who aspire to represent our country at future major championships. ”

– Dan Cross, Head Coach
of Thanet Swim Club.
